BUUF Cookbook Recipe Submission Form

Let's make a great cookbook for the community and ourselves for Berrien Unitarian Universalist fellowship! We are trying to focus on both traditional recipes and recipes that support Unitarian Universalist values. We want to promote ethical eating and sustainability. The cookbook will have a vegetarian section as well. Let's give this cookbook a "foodie" feel and make it special. Please feel welcome to share more than 1 recipe (the more the better) and also include any stories or traditions you have related to any recipes you turn in. The more unique the recipes the better.

If you have outside copies of recipes turn those in too. We are also interested in any pictures of your dishes if you have any. If you would like to get involved in this fundraising effort or have any questions, comments, or more recipes, please send those via email to Lisa Quinlan-Heibutzki at biggreenfrog40@yahoo.com. Turn these forms in directly to me when you are finished as well. **Please turn in all recipes by September 15, 2019.** Thank you.
