Social Justice Committee proposal

2017-2018 Proposal

The Berrien Unitarian Universalist Fellowship Community Outreach/Social Action Committee changed the name to Social Justice Committee during the past year and fulfilled the projects approved for the 2016-2017 fiscal year. The funds available from the BUUF Restricted Endowment accounts for the upcoming FY 2017-2018 CO/SA projects are **\$1,180**. The Committee met 5/21/17 and recommends the following:

- Renewal of membership in the [Michigan Unitarian Universalist Social Justice Network](#). The network informs BUUF of important issues and events in Michigan via newsletter — \$100
- Donation to the [CARES](#) Program in Benton Harbor. CARES provides links and services to HIV positive individuals who are currently out of the medical care network in Berrien County. The mission of CARES is to maximize the quality of life for those affected with HIV/AIDS and to minimize the spread of the disease. CARES provides testing, comprehensive care plans and routine medical services for the 330 plus Berrien County residents who are living with HIV — \$125.
- Continued support of the [Out Center's](#) Teen Program. The funds will be used for refreshments and supplies for weekly meetings and programs — \$175.
- Continued support of the [All God's Children Youth Choir](#) to assist with transportation and meals to facilitate the choir's participation in concerts and events — \$100.
- Contribution to the [Safe Shelter](#) for Domestic Violence in Benton Harbor. The shelter provides a secure, violence-free environment for survivors of domestic violence and sexual assault and their dependent children. Survivors are offered a protective, warm and violence-free place to stay, support groups and other resources to develop safe, healthy and meaningful lives for themselves and their children — \$150.
- Purchase of food to be prepared at the Benton Harbor [Soup Kitchen](#) during BUUF's assigned dates. — \$380.
- Contribution to [Saint Augustine's Episcopal Church's Neighborhood Food Pantry](#), located in Benton Harbor, to provide turkeys, hams, or other entrees for Christmas, Kwanza, or other holiday meals. We'll work with the Food Pantry Committee to determine what is suitable for them to purchase. The Fellowship will be asked to donate as they are willing or able during a special collection in fall 2017. Not part of committee budget.
- Contribution of time and money to the [Fresh Start Children's Garden](#) in Benton Harbor. The volunteer community garden is at the corner of May and Pearl Streets and seeks to educate and involve the children of Benton Harbor through gardening as food production. The garden project is directed by Emma Kinnard. The BUUF Green Sanctuary team has decided to partner with the 10 year old project as a demonstration of environmental justice in action - \$50.
- Contribution to [Calling All Colors](#) program in Benton Harbor. The program aims to bring together children for educational and multicultural experiences - \$100.

Thank you for your consideration of this proposal.
