

Membership Committee Meeting Minutes

Meeting Date: November 8, 2018

Attending: Jim McConnell and Joanne Krettek (with Lisa Fuller's comments via e-mail)

1. We agreed to hold off on Circle Suppers, BUUF Breakfasts and the introduction of Greeters until after the holidays, as now is quite a busy time at BUUF and in the lives of our members.
2. We decided to print a few copies of the BUUF membership directory and leave them out at BUUF. Joanne will put a note in the BUUF Announce asking members to email her if they would like an electronic copy.
3. We'd like to create a "member profile" directory and have a single copy out at BUUF for members and guests to review. Each member would be featured on a different page, which would include:
 - * their name
 - * their photo
 - * interesting information about them, like their hobbies, interests, favorite book, etc.

We'd like to start this project by featuring members of church leadership, perhaps starting with Jim or with our newest board members.

4. We'd like to restart the Chalice Lighter program (where a different child is introduced at the beginning of each service while they light the chalice). Lisa suggested starting this program up again beginning with the December 2nd service, which she is planning with Katharine Lion and Beth La Fleur.
5. It would be good to report how much we've raised so far with Change-for-Change and remind members where the donated funds are going and how the children are involved. Lisa will work on advancing the RE program's partnership with Sarett Nature Center and updating the fellowship on fundraising progress.

Respectfully submitted,
Joanne Krettek
