

DRE Report - December 2018

Child's RE

Dec 2 - Whole Congregation Worship, No RE (Children Included Mindfulness Service)

Dec 9 - Lisa led RE with 5 kiddos & Daphne to help. They focused on Change for Change, created CFC bookmarks, and learned about nature partnerships with Pitcher Plants & Pitcher Borer Moths

Dec 16 - Beth led RE with 6 kiddos & Daphne to help. They discussed three winter celebrations: Solstice, Christmas & Kwanzaa & made solstice candles.

Dec 23 - Whole Congregation Worship, No RE (Winter Solstice Service)

Dec 30 - Whole Congregation Worship, No RE (Blessing of the Pets Service)

*Perhaps two whole congregation worships in a row is too much for the younger kids. Nico spent the service watching them in the nursery.

Adult RE

Dec 13 - Small Group Ministry & Buuf Brunch attended by 9 participants.

Dec 15 - Mindfulness Workshop (Mindful Art Journaling) attended by 7 participants. This workshop was well received & well attended. Some new faces who get our Buuf Announce. No free will offerings given.

Dec 19 - Creative Conversations, attended by 2 participants. We watched the 2018 Ware Lecture with Brittney Packnett about UU's part in overcoming White Supremacy Culture. It was a riveting lecture & participants agreed it was worth seeing. There wasn't much conversation but discussed showing again later or possibly for a Sunday service.
