

2020-2021 Annual Pledge and Affirmation Form

Your pledge of financial support for Berrien Unitarian Universalist Fellowship makes it possible to:

- Bring together a community passionately committed to social justice that collectively advocates for a more ethical, life-affirming, democratic, and sustainable society
- Conduct 52 Sunday services every year, providing a welcoming worship space for those who share our principles but may feel abandoned by mainstream religion due to their beliefs, sexual orientation, political leanings, etc.
- Provide children's religious education during most Sunday services, building a new generation of loving, thoughtful, open-minded, principled leaders
- Offer educational and thought-provoking events that are open to the community, including the Environmental Justice Film Series, Mindfulness Workshops, Community Conversations, Small Group Ministry and more
- Provide pastoral care for members and friends as they face life's myriad changes, including marriage, parenting, illness, divorce or separation, financial problems or the passing of loved ones
- Serve over 500 meals at the Benton Harbor Soup Kitchen each year
- Provide a meeting space for critical community organizations such as the Citizens Climate Lobby, All God's Children Choir, Southwest Michigan Interfaith Action Council, get-out-the-vote efforts, etc.
- Provide a demonstration space for visionary Green Sanctuary initiatives that other individuals and organizations might adopt, including a solar array, organic children's garden, battery-powered lawn mower and native plantings
- Pay a fair wage to our small, part-time staff who manage the fellowship's operations

Pledge your Financial and/or In-kind Support

The annual cost of running our fellowship is approximately \$50,000. This includes the cost of paid staff: part-time minister, RE director, office administrator, music directors and childcare workers. It also covers utilities, insurance, internet and telephone services, snow plowing, occasional repairs, office, kitchen and RE supplies, and social justice initiatives. We accomplish a lot on a very thin budget! In the coming year, we are also hoping to set up a youth group, fund additional guest speakers, create a small fund for staff, leadership and member training, and re-establish our annual contribution to the UUA.

When we make a commitment of financial support, we affirm our belief in this community, its principles and each other, and we engage in the spiritual art of giving. The UUA recommends that members pledge a "fair-share" contribution of 2 to 10% of income. Those not giving at this level currently may want to consider it a goal to strive for over the coming years. All contributions of any amount are welcomed and appreciated.
