

About 100 million Americans *didn't* vote in 2016.

Progressive people of faith can be powerful and prophetic without being partisan. We can engage our neighbors, educate our communities, mobilize voters, rally around ballot initiatives, with values based on our theology and principles. -- uua.org

Join with volunteers from Michigan Interfaith Get Out the Vote (GOTV) Campaign, to reach out to people of color and others who are under-represented at elections, and who may need help to have their voices heard. It's a fun chance to meet other concerned people in Michigan!

We will have phone bank and text bank work sessions via Zoom every Thursday and **Saturday**, and the first, third, and fifth Tuesdays of the month until the election. All sessions are from **6:30pm-8:30pm**, with one or more facilitators available to answer questions via Zoom while volunteers try their hand at calling or texting.

Tuesdays: Phone banking with computer/tablet: A brief training and quick, fun game will be provided, then volunteers will make calls for up to 1.5 hours. September 15, 29, October 6, 20.

Please invite your members and friends to these sessions.

Other ways to support these efforts:

- Once you're trained you can make calls or do texts on your own.
- Contact your friends, neighbors, organization and church members to make sure they've registered to vote, applied for an absentee ballot and/or have a solid plan to vote this year.
- Use postcards and social media to encourage youth and others to vote.
